# WELCOME TO THE GREAT BARRIER REEF

THE 74 WHITSUNDAY ISLANDS LIE BETWEEN THE NORTHEAST COAST OF QUEENSLAND AND THE GREAT BARRIER REEF, A MASSIVE STRETCH OF CORAL TEEMING WITH MARINE LIFE. MOST OF THE ISLANDS ARE UNINHABITED. THEY'RE CHARACTERISED BY DENSE RAINFOREST, HIKING TRAILS AND WHITE SAND BEACHES. THE TOWN OF AIRLIE BEACH ON THE MAINLAND IS THE REGION'S CENTRAL HUB.

Cruise Whitsundays is the region's largest and most experienced marine operator, offering a range of day cruises and island resort connections.

Cruises visit the Great Barrier Reef, Whitehaven Beach and islands, and the multi-award winning Reefsleeper overnight experience is one of Australia's most unique accommodation options.

Resort Connections provide services between island resorts and the Whitsunday Coast, and connect the region's airports arrivals and departures.

## GETTING HERE:

### BY AIR

If travelling to the Whitsundays from overseas, fly into Brisbane, Cairns, Sydney or Melbourne, and then book a domestic flight into one of the two airports in the Whitsundays. Brisbane offers the best range of connecting flights into the region.

The following two airports service the Whitsundays daily:

### Great Barrier Reef Airport, Hamilton Island (HTI)

Located on Hamilton Island, the airport is serviced by Virgin Australia, Jetstar, Qantas and Qantas Link with flights from Cairns, Brisbane, Sydney, Melbourne and connection points beyond. Cruise Whitsundays operates ferries from Hamilton Island to transfer passengers to Airlie Beach on the Whitsunday Coast and other island resorts.

### Whitsunday Coast Airport, Proserpine (PPP)

Whitsunday Coast Airport is located near Proserpine, approximately 45 minutes to Airlie Beach. The airport is currently serviced by three domestic carriers including Virgin Australia, Jetstar and Tiger Airways. Buses and taxis meet every flight to transfer guests to Airlie Beach, or to ferries to the island resorts. Car and limousine hire is also available at the airport.

## GREAT BARRIER REEF

Cruise through the Whitsunday Islands to the outer Great Barrier Reef and enjoy one of the world's most stunning natural attractions.

Cruise Whitsundays operates two pontoons moored permanently at Hardy Reef. These innovative pontoons, Reefworld and Heart Pontoon, are the base for guests to explore the Great Barrier Reef daily.

Our pontoons have a choice of areas to relax and a great range of activities. There is undercover seating and tables, sun decks, freshwater showers, change rooms and full access to the air conditioned comfort of the reef vessel. There are numerous ways to explore the reef, from the underwater observatory chamber, to the semi-submarine coral viewers, snorkelling or scuba diving.

Both Reefworld and Heart Pontoon are adjacent to a coral wall, the length of which you can explore, each with their own ecosystems with magnificent corals and a diversity of marine life found only in sheltered areas. It provides a unique world for you to discover.

## AUSTRALIA'S FIRST UNDERWATER ACCOMMODATION

CRUISE WHITSUNDAYS' REEFSUITES ARE AUSTRALIA'S FIRST UNDERWATER ACCOMMODATION – OFFERING A FRONT ROW SEAT TO THE DAZZLING GREAT BARRIER REEF. SLIP BETWEEN THE SHEETS BELOW THE WATERLINE – IT'S AN INTIMATE AND TOTALLY UNIQUE ENCOUNTER WITH THIS AMAZING UNDERWATER WORLD.

Moored offshore at spectacular Hardy Reef, 40 nautical miles from Airlie Beach, Reefworld is a sophisticated setting for the overnight Reefsuite experience. Relunched in 2019, the revamped pontoon hosts day trippers, on-deck Reefsleeper guests and a lucky few who'll head below deck for a private, all-inclusive Reefsuite experience.

Reefsuites are a premium accommodation offering: subtle lighting, neutral tones, private bathrooms, high thread-count linen... But the real attraction here is the spellbinding tropical marine life beyond the suites' full-height glass walls and floor panels.

Reefsuite guests travel to Hardy Reef onboard our high-speed, modern, well-appointed vessels, arriving around 11am with the day guests. After lunch, guests can snorkel, dive, swim or take a scenic helicopter flight to see famous Heart Reef. Day visitors depart mid-afternoon, after which overnight guests have Hardy Reef and Reefworld all to themselves.

Reefsuite guests enjoy all-inclusive food and drinks: watching the sunset over the reef with a drink in hand is a memorable experience, followed by a starlit long-table dinner on the pontoon's upper deck. Seating can be arranged for private tables. Although food is served family style, you can still sit at a table for two if you choose to. After dinner, Reefsuite guests can retreat to the hushed privacy of their undersea accommodation.

After a morning awakening like no other – Reefsuites give a whole new meaning to 'a room with a view' – guests enjoy a leisurely breakfast and more exclusive reef time. Guests will head home with the day visitors in the afternoon, with Great Barrier Reef memories that will stay with them forever.

THIS IS THE DESTINATION FOR DAY VISITORS, BUT FOR A LUCKY FEW, IT'S A ONCE-IN-A-LIFETIME, BREATHTAKING AND MEMORABLE OVERNIGHT EXPERIENCE.

Reefsleeper guests travel to Hardy Reef on board our high speed modern, well-appointed vessel, arriving around 11am with the day guests. Watch the sun set over the reef then see the reef really come to life in the darkness of the night. Gaze up at a million stars from a comfy swag set up on the top deck of the pontoon before the tranquillity of being in the middle of the ocean lulls you to sleep. In the morning, guests enjoy more private time with the reef before the day guests join. Optional guided snorkelling during this exclusive time at the pontoon with other overnight guests will see them visit very special spots – giant Maori Wrasse, spectacular coral formations, and myriad tropical fish, turtles and reef sharks all might make an appearance.

If you are not keen on swimming, there is the underwater viewing chamber where you can watch the reef wake up or jump on the semi-submarine and take a tour of the coral wall and see the Great Barrier Reef coming to life. On day two head home with the day guests on board the reef vessel that afternoon, taking home plenty of memories and stories to tell.
