SWIM WITH THE WORLD’S LARGEST FISH

Each year between mid-March and July, these slow-moving, gentle, filter-feeding giants migrate past Ningaloo Reef.

Sal Salis offers whale shark swims with select local partners, giving you an up-close-and-personal view of these gentle giants.

Your whale shark experience begins with a transfer to Tantabiddi Boat Ramp (about 25 minutes drive) where you will meet your experienced skipper and crew for the day. Morning tea is usually served as you motor out into the Indian Ocean to begin the search, aided by a spotter aircraft that relays sightings to our skipper. The crew will help you get kitted out with the proper equipment, and will also provide a thorough briefing.

During the course of the day your crew will keep an eye out for turtles, dolphins, dugongs, rays and sea birds plus there is usually time for a snorkel at the back of the Reef. A delicious lunch featuring fresh Western Australian produce is provided too.
